

Q & A – Expectation and Protocols

Message from Prime Minister

Justin Trudeau delivered a message reminding everyone to take part in practicing social distancing, avoid groups and staying at home as much as possible. He clearly stated that “If you choose to ignore that advice, if you choose to get together with people or go to crowded places, you’re not just putting yourself at risk. You’re putting others at risk, too.”

Message from Community Care Durham’s Senior Management Team

It is an expectation that all staff:

- Read your emails and stay informed
- **Inform your Manager of other employers/agencies you are working for**
- Follow all precautionary measures and protocols including
 - Not travelling if not necessary
 - Practice social-distancing of at least two (2) meters
 - Wash your hands with soap and water thoroughly and frequently
 - Keep surfaces clean and disinfected
 - Stay home when you are sick
 - Continue to self-monitor by using the self-screening tool
 - If required to self-isolate follow the protocols

How can I access the new enhanced self-screening tool and guidelines for self-monitoring and self-isolating?

The Ontario Government announced a new enhanced self-screening tool which provides guidance on where to seek care based on individual needs. The link below will connect you to current COVID-19 information from the Ontario Government, including the self-screening tool:
