

Community Care Durham
SUPPORTING PEOPLE, STRENGTHENING COMMUNITY

Social Recreation: Cards & Games

Join us online for fun, laughter, and relaxation while playing Bingo and Euchre. Connecting with others can help to reduce stress, depression, and anxiety while increasing healthier lives!

People strive for healthy social interaction and feel supported when they are engaged in activities that support their mental health. Social Recreation is one of those ways to support people while strengthening our community. Playing card games can improve memory, concentration, and eye coordination, not to mention it aids in physical healing!
